Experience the difference at IMCC and embark on a journey of personal and professional growth.

Maharashtra Education Society

In 1860, three great visionaries - Waman Prabhakar Bhave, Vasudev Balwant Phadke and Laxman Narhar Indapurkar came together to plant a seed of an idea. The idea was profound considering the pre-independence era of India.

The three reformists resolved to establish an educational platform that would generate a strong character and lofty ideals amongst youngsters, and one that nurtures nationalism. Over the last 160+ years MES has over 75+ institutions with a strength around 40,000+ students and more than 2,000+ teachers and administrative staff..

Governing Body Chairman's Message

Maharashtra Education Society (MES) aims to impart knowledge and empower individuals for a progressive nation. MES has 160 years of standing in academic excellence. MES's IMCC is well known for providing quality education and technical expertise at the Post Graduation Level in the field of Computers and Management. Today's era is of an accelerated technological progress characterized by not only innovations but also their applications and diffusions.

Technological revolutions have increased productivity and efficiency in general and has led to changes in management, learning, social interactions, financing and methods of research in particular. At IMCC, we are continuously striving to create personally mature and professionally equipped graduates.

Shri. Babasaheb A. Shinde, Chairman, Governing Body Maharashtra Education Society, Pune

Institute of Management & Career Courses (IMCC)

The Institute popularly known as IMCC was established in 1983 by M. E. Society for providing quality education and technical expertise at the Post Graduation Level in the Fields of Computers and Management. The Institute is recognized by SPPU under Section 46 of Pune University Act, 1974 and Section 85 of Maharashtra University Act, 1994. The Institute is located at 131, Mayur Colony, Kothrud, Pune-411 029 having 30,000 sq.ft. built area & totally independent campus . The main motto of the Institute is to instil the concepts of total personality development in the students. The emphasis is laid on 'Teacher Disciple Relationship' in place of 'Boss Subordinate' relationship at their assignments.

CAC Chairman's Message

This is the age of technology. An era where the world has become a smaller place and people are looking to make it smaller still. No matter where you look, you can feel the presence and effects of technology. The use of Information and communication technology is for social, economic and political development with particular emphasis on helping marginalized people and communities. Information Technology is grounded in the notions of development, growth, progress and globalization

Shri. Vijay A. Bhalerao, Chairman, College Advisory Committee, MES' IMCC, Pune

Director's Message

Institute of Management & Career Courses (IMCC) under the aegis of Maharashtra Education Society, continues to build on its reputation as a Premier Institute. IMCC, with its glorious legacy of 37+ years, is recognized as a leading post-graduate centre of management studies and one of the best institutions in Pune region for its excellence in higher education. Further, in our pursuit of achieving higher standards of excellence. IMCC's MCA programme is accredited by NBA (National Board of Accreditation) which is a testimony to the quality of educational experience offered to future professionals.

At IMCC, we offer full time Master of Business Administration (MBA) & Master of Computer Applications (MCA) course approved by All India Council for Technical Education (AICTE) and affiliated to Savitribai Phule Pune University. Our students are offered the best in class educational facilities, extracurricular and co-curricular opportunities and placements. These make our students are true global IT professionals, guided by experienced faculty members through their excellent academic inputs as well as nurturing environment of the institute as a whole. The institute also focuses on personality development, team building, research exposure and enhancement

Dr. Santosh Deshpande
Director, MES's IMCC.

Deputy Director's Message

Education is the key to unlocking the golden door of freedom."

—George Washington Carver.

Education in the 21st century is relevant to real-life and project-based education. It's a prime need to develop a value-based education in the modern world. Education not only gives us a platform to succeed but also the knowledge of social conduct, strength, character and self-respect.

We, at IMCC, believe in awakening student's potential for creative knowledge, but more importantly, enlightening individuals and imparting them

an inquisitiveness and curiosity for learning. We make them realize that a good career is important, but a good character is paramount. Our prime focus is on the holistic development of students. Therefore, we place importance on activities like sports, personality and leadership development, business etiquettes, emotional intelligence, communication engineering, and more. The Institute offers industrial visits, brainstorming sessions, development of presentation skills, report writing, case studies, and analysis to students.

The college strives to instill in its students academic excellence, a sense of duty, discipline and most importantly moral and humanitarian values that are essential in this age.

Dear Parents/Guardians, With your support, together we wish to motivate and inspire our students to learn and educate themselves to achieve success in every arena and aspect of life.

Dr. Manasi S. Bhate
Deputy Director, MES's IMCC.
